Q: How do I sign up to be an interpreter?

A: Interpreters on our Mexico trip must be over 18 years of age, the process is the same as the one for everyone else, with the exception that you will need an Interpreter promotion code to waive your fee. (If you went last year, it's similar, just update the year). Please email Crystal.Sagastume@baysideonline.com

Q: I can no longer go to Mexico; how do I drop the trip and can I get a refund?

A: An email to your campus representative is sufficient. The \$149 application fee is not refundable. If you paid beyond that, you can request refund, but only if requested in January or beforehand. After January, we will have already spent the money on your "spot."

Q: When I originally signed up, I did not have a passport, what do I do now that I have one?

A: Please send a copy to MexicoOutreach@baysideonline.com or your campus representative.

Q: Where do I turn in my Release Forms?

A: Each campus has different opportunities for turning in forms, please check your campus website or email your campus student ministries team. Everyone can mail completed forms to:
